

Scoot™ Mobile File

The Scoot™ Mobile File is extremely functional and versatile with a contemporary look and steel construction. The cart is designed to accommodate letter or legal size folders and has additional pockets on either end for active files and a bottom shelf for extra storage. The generously sized locking laminate top adds security and an additional workspace. While the oversized swivel casters (two locking) provide mobility so you can easily slide the cart under a work-surface to open up valuable floor space. Available in Black with Silver accent. Assembly required.
