

Stereo Headphone

PRM100, PRM100R, PRM100B

One of the building blocks to successful student learning is to teach listening skills that help develop comprehensive language and literacy. Teachers find that students excel when they are more focused on their lessons in classrooms, labs, libraries, and testing environments. Primo™ headphones are uniquely designed to provide the perfect blend of all of these.

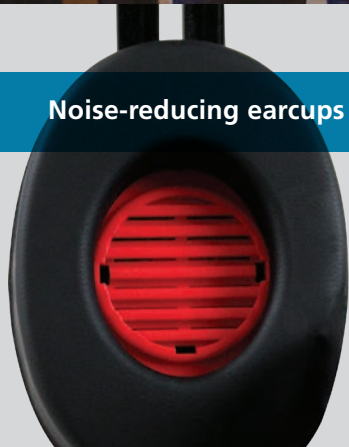

Noise-reducing earcups allow students to clearly hear their lessons, and protect from unnecessary and distracting ambient noise as well.

Made of ABS plastic, these headphones are rugged and reliable, with 3.5mm stereo plug, making it a versatile unit to connect to almost any audio device: tablets, smartphones, computers and more.

Available in Blue, Red and Black.

Noise-reducing earcups

Primo™ Stereo Headphone

PRM100, PRM100R, PRM100B

Prevent the Spread of Head Lice

Each headset comes in its own heavy-duty, write-on, moisture resistant, reclosable bag. When sealed in the bag, lice are killed in 24–48 hours, without the use of chemicals.

HygenX™ Headphones & Headsets Cleaner

The ultimate cleaning solution ideal for all headphones, headsets, earbuds and phones!

Free of any harsh chemicals or fumes and free of any alcohol or ammonia, HygenX™ Headphones & Headsets Cleaner is non-toxic and non-flammable, making it the safer choice for you, your students, your office, your home and the environment.
