VERSATILITY

Synergy is the ultimate in collaborative seating options. These desks can be individual or combined in pods of 2, 3, 4 or 5.

BENEFITS

Adjustable heights accommodate K-12. Sturdy, smooth surface cleans in a cinch.

STRENGTH

Your choice of casters or glides easily rearranges for years of various grouping needs. Reinforcing supports add greater durability.

DESIGN

Artistic profile stands gracefully alone; fits together to form stylish shapes for student collaboration, with or without teacher supervision.

Synergy – School Desk

Space Saver

Synergy's multi-shaped options maximize collaborative workspace, while minimizing occupied classroom space.
